

Sponsorship Opportunities...

Youth Vote will only succeed with the **financial support** of our community. The anticipated budget for Youth Vote in 2008 is \$22,500 for the coordination of the project and provision of all educational, election and promotional materials.

In-kind donations such as photocopying, copy paper, notebooks, banners, printing and/or food treats for youth volunteers will help reduce our cash needs and are graciously accepted.

In appreciation for either cash or in-kind donations, our generous contributors will receive a promotional package that will show the greater community that you support the mission of Youth Vote. We welcome your volunteer participation in Youth Vote activities. **Let us know through your contribution that empowering youth to be involved in the democratic processes of our society is a vision that you share!**
